Summer Tourist Season Ends — Fall And Winter Programs Underway

BAY CITY, MICHIGAN — The summer tourist season ended Labor Day in eastern Michigan and already the promotion programs for fall and winter tourist business are underway, according to the East Michigan Tourist Association.

Again in 1965 the summer tourist season was marked by poor weather during August. Nevertheless, EMTA officials point toward a record season as being possible.

"It's too early to say that we will definitely have a record year," stated EMTA Manager James Hall, of Bay City. "Spot reports indicate that some areas and businesses did a record volume of business while several did not do as well as a year ago." The EMTA will make an end-of-the-summer survey after Labor Day to gain region-wide information comparing the 1965 summer vacation season with 1964.

Fall and winter promotion programs are well underway. The EMTA Log Office reports an increase in requests for fall and winter tourist information. Featuring the fall program is a newly revised color tour map published by the Michigan Tourist Council in cooperation with Michigan's four regional tourist associations.

Also in production is the 1965-66 Michigan Ski Map which locates all of the 80-plus ski parks, and winter sports centers in the state. It is produced by the four associations.

The EMTA will introduce a new winter sports guide for the coming season. It will be a magazine format and will emphasize the ski parks, sports and winter sports communities and contain a winter sports fashion and equipment directory. The map and EMTA guide will be ready on November 1.

Ray T. Conley of Petoskey Named Region Michigan Week Chairman

Fred H. McIntire, vice president, said Michigan Consolidated Gas Company today announced a new plan by which residential and commercial customers in this area can install gas heating equipment now without making any payments on the equipment until July 1, 1966.

The company further offers to purchase any fuel oil or coal the customer may now have on hand at the same price he paid for it, and to remove oil tanks without cost to the customer.

He said that customers taking advantage of the offer could pay off the entire cost of the equipment added in equal payments to their monthly gas bill for up to three years at regular carrying charges rates.

McIntire said that for the majority of homeowners, the saving on natural gas, compared to other fuels, would pay the cost of a gas conversion burner within the 45 months before the final payment would have to be made.

He said the unusual financing plan will only be available for a limited time, and suggested that those interested obtain further information by calling their heating contractor or Michigan Consolidated Gas office.

A merger of the Crawford County Welfare Department and the Bureau of Social Aid under the directorship of Don Burkett, former Social Aid head, became effective on September 5th, according to the Crawford County Welfare Board. Other personnel of the new department have yet to be selected from the Civil Service rolls.

Mergers of this type are being effected throughout the whole state. The new department will retain the title Crawford County Welfare Department, and the former Social Aid phone number, 348-4711.

The department will be housed upstairs in the new City Hall building. Surplus foods will be handled in the same manner as before, and from the same location.

Crawford County Tourist Information

This is the time of the year to enjoy the outdoors in Crawford County. Our streams and rivers are crystal clear. Our wildlife and birdlife can be more readily observed. Day canoeing and canoeing campers can enjoy miles of canoeing on the Manistee and Ausable River system. Our insect life is almost non-existent, and it is a joy to be out in our forests and meadow lands.

Deer are moving out in the open during morning and evening hours, and any drive down our county roads and trails brings the "whitetail" into view.

Fishing remains only fair on our streams and lakes although nice catches of brook trout are being reported taken on the North Branch of the Ausable.

Mr. and Mrs. Charles Muth wish to announce the engagement of their daughter, Ellen Louise, to Gary Lee Henning, son of Mr. and Mrs. George Henning of Roscommon. Wedding plans are being made for the near future.

First Game at Harrison Just Week Away

With an eye on the calendar to the first football game only a week away at Harrison with the Hornets on September 17, new Grayling Viking head football coach Mike Weiland is driving his charges through two a day drills.

The twice a day workouts were carried on all last week and this week until school got underway full time today. Forty-three hopefuls turned out for football this year and they will be divided into varsity and junior varsity squads late this week.

Coach Weiland is being assisted by Coach Don Ferguson while coach Franklin Smith will again handle the Junior Varsity gridgers. The new mentor will have to build this year's eleven around five of last year's regulars plus another letter winner and eight players moving up from last year's jayvee team.

Heading the list are five players who were full time regulars last year. They are: John Sorenson, Curt Feldhauser, Pete Funck, Dave Netek and Steve Englund. Another letter winner returning is Mike Corlew.

Moving up from last year's jayvee squad and given a good chance to stick are: Pat Thompson, Paul King, Dave Bailey, Bob Jackson, Tom Hatfield, Howard Madsen, Bruce Feldhauser and Barry Holmes.

This year's Viking attack will be based on a straight T formation while a new defense is being installed by Coach Weiland. Grayling grid fans can look forward to more aerials this year as some wide running by a swifter, if smaller, green and white team.

Another innovation being installed by the new coach is a trip for thirteen players, eight varsity and five junior varsity team members, to Mount Pleasant for the Central Michigan-Eastern Michigan game on November 6. Each of these thirteen will win the trip by being named the game's outstanding performer.

One will be selected in each of the eight varsity games and also one each from the five slated junior varsity games. Grayling spectators will be asked to write the name of their selection of the game's outstanding player on the back of their ticket, and these will be collected at the gate at the game's end by the cheerleaders.

Looking over the conference this year, the NMCC seems as though it will be able to hold its reputation as one of the strongest Class C loops in the state.

At Gaylord, the Blue Devils will be seeking to repeat their run for the title as they did last year, their first gridiron headpiece since 1939. Although the Blue Devils lost several of their top gridgers by graduation, a number of replacements who appear ready are moving up from last year's jayvee squad.

Likewise, several players who were replacements last year are expected to move into starting slots on the Blue Devil eleven.

Harbor Springs—Little is known about this team that finished in a second place tie with a 5-2 mark last year. Last thru graduation is their all star, George Lauer also Dave Winegarden, but when you have a 230 lb. fullback returning in George Kilborn watch out. It looks like a rebuilding year for the Rams, but who knows?

Charlevoix with 13 conference championships behind them in the last 20 years, will again be at the top of the list as likely candidates to take the crown. The Red Raiders finished 3-2 last season and lost seven men including their famed backfield of Terrill, Dave Smith and Grunch. But with plenty of veterans back, along with some top-notch reserve players, they should keep the ball rolling. Ted Weidman, Steve Smith, Jack Bergman, and Mark Bourquin are the names to watch for this season.

East Jordan was last year's pick for the championship, only to end up with a dismal 1-1-4 mark. The Red Devils are minus seven starters with Mick Bell, Sam Poole, Peters and Murray gone, but some strong linemen, and most of the backfield returning, the Red Devils should again be in the winning column. Keep your eye on Ron McWatters, D. Schumaker, Langschwager along with 14 others returning.

Mancelona — The Ironmen were the only team to beat Gaylord last year, and they did that as Ron Grody returned the opening kick back 80 yards for a touchdown. Their entire starting offensive line up was lost thru graduation. Including what was established as the best backfield in the league in Webster, Bushard, Moeck and Grody. The Ironmen will lack experience, and will field a young team.

Bozette City — From all indications, the Ramblers are expected to be the pre-season pick to take the NMCC championship this season. Bozette City has nine championships behind them, and were edged by Gaylord last season 12-6, which prevented them from winning the championship. Lost from last years gammit are Scotty Hall the QB., and Dan Cikalo the speedy halfback along with three linemen, but with John Paul and Malcolm Jolly could make things jollier in the back field. Johnchack could get the nod for quarterback on a team with 15 varsity members returning. Varnum, Kujawski and Smith should pad the line.

Pellston — The hornets finished with a 3-4 mark last year, and word from up North says the Hornets are loaded this year. Lost thru graduation are seven starters in Skilton, Clear, Zulski and their 270. Dave McRae, but with Sammy St. Germain, 225 lb. Dick Carter and Tom Lischer, the Hornets will be in the middle of things this year.

As we would like to place 14 teams on the Wednesday night Recreation League we still need more girls. Teams 1 - 8 will bowl at 7 o'clock, teams 9 - 14 will bowl at 9 o'clock, Wednesday September 15th.

Six more ski runs have been cleared and groomed for the winter season. Plans included a new snow machine, one T-bar and fine new rope tows.

The Right To Choose!!!

Politics is one of the principal occupations in a free nation. But a nation will remain free only so long as the voters control the politicians.

The people of the United States have no conception of what fear of government officials means. They have never been herded into oblivion by state police for expressing views in opposition to dictators in power.

As a result, U. S. citizens have never lived in fear of officialism. Under our Constitution, they have enjoyed the right to choose—the greatest civil right.

But politics has been whittling away at that right and steadily restricting the individual's right of choice in the U. S.

Therefore, it is well to read the words of one who remembers living in fear—where the individual was the plaything of officialism—where he had no choice.

The following letter "To The Editor" appeared in the Portland, Oregonian recently. It said in part:

"Although my age was only eight when my father was forced to leave Russia because of persecution, my memories are very vivid of the tribulations endured under governmental controls. Because of these unforgettable experiences, the constitutional rights and liberties are treasures worthy of preservation regardless of cost."

When you see a candidate for public office, or an elected official advocating policies that undermine constitutional safeguards, states rights and individual opportunity, turn thumbs down on him while you have a vote and a choice.

William Babbitt, son of Mrs. Howard Bunker of Grayling and Miss Elinore Stetter, daughter of Mr. and Mrs. E. Stetter of Detroit, were united in marriage Saturday, August 23, in Detroit. After a two-week furlough Corporal McCullough will return to Fort Knox, where he is a member of the Armored Force.

Meat will appear less frequent on our tables during the coming year, though the amount we'll get—2½ pounds per person—is about the average consumption for the past ten years. This is well above one pound a week the Englishman gets, the 12 ounces per week allowed the Germans or the 5 ounces available for half-starved Belgians. It will take at least four months to set up the machinery for rationing.

MICHIGAN RETAIL TRADE STATISTICS SHOWN IN NEW CENSUS BUREAU REPORT

More than 28 cents out of every dollar spent in Michigan went to keep wheels rolling on the highways. That amount is accounted for by sales of automobiles and trucks plus the cost of accessories needed to keep them moving.

Another 26.1 cents of the retail dollar was spent for food—21.6 cents on groceries for home consumption and 4.5 for snacks and meals eaten out.

Of every dollar spent in retail store purchases in 1963, 11.8 cents was for cigars, cigarettes and tobacco.

These are among statistics which appear in a new report being issued on the 1963 Census of Business, Retail Trade, Merchandise Line Sales, by the U. S. Department of Commerce, Bureau of the Census.

The report presents data on the number of establishments, sales and percentage of sales accounted for by specific merchandising lines for the entire East North Central States division, consisting of Illinois, Indiana, Michigan, Ohio and Wisconsin, for each of the five States, and for parts of the States lying within Standard Metropolitan Statistical Areas, and for parts of the State outside those areas.

For each area, the report presents data on sales of 25 separate classes of items in over 100 kinds of retail establishments. With the report it is possible to check on sales of various merchandise lines and the percentage of those lines in total sales of various retail establishments.

The report, one of 10 covering nine divisions of the United States and the Nation as a whole, is en-

titled "Retail Trade, Merchandise Line Sales, East North Central States." It is for sale by the Government Printing Office, Washington, D. C., 20402 or by any U. S. Department of Commerce field office. The report is priced at \$3.50 each and the entire set is \$24.60.

LETTERS TO THE EDITOR

Sept. 6, 1965
Crawford County Avalanche
Grayling, Mich.
Att. The Editor

I would like to take this time to say a special thanks to the De-Fenders and Mr. Day of Day's Drive-In for the wonderful summer dances this town has had. I know when I speak for myself I speak for every teenager, boy and girl, who lives here or visited this town this summer. The dances were well worth the time.

Mr. Day was very kind to loan us the space behind the drive-in to dance on, and to the American Legion hall for the use of their place for "our" last summer dance.

I hope the parents of this town sees the good these dances have done and they will continue next summer.

On behalf of myself and my friends we say thank you to all who made these dances possible for us teens this summer and to the De-Fenders, Walt Fallon, David Blaha, John Cook, Bill Krause and George Stencil, thanks for the wonderful music and keep up the good work.

Thank you for your time.
With a heartfelt of thanks,
A person who likes to dance

SPEAK VOWS IN SATURDAY SERVICE

The marriage of Miss Susan Lynn Hayes, daughter of Mr. and Mrs. Robert M. Hayes of Grayling to Mr. Jack Weston Welch, son of Mr. and Mrs. Lester O. Welch of Grayling, was solemnized at four o'clock Saturday, September 4, 1965 at the Michelson Memorial Methodist Church. The service was performed by the Reverend John W. Smith and the Reverend R. C. Puffer before two hundred fifty guests. Traditional music was played by Mrs. Clarence G. Clippert at the organ. Palms and white gladioli formed the setting for the wedding party.

Escorted to the altar by her father, Susan chose a gown of peau de soie and Chantilly lace. The fitted bodice was fashioned with a scoop neckline daintily edged with lace and long pointed sleeves. The full skirt was lace-edged at the floor and caught up to show an underpanel of lace. A lace-edged Watteau train completed the styling. A crown of seed pearls held her veil of silk illusion. She held a colonial bouquet of white roses.

Miss Kathy Welch of Vestaburg, cousin of the bridegroom, was maid of honor. Bridesmaids were Mrs. Michael Stillwagon, Miss Marcia Sorenson and Miss Jeanette Henig. They were attired alike in cranberry velvet-topped gowns, with floor length crepe de chine skirts. Miss Welch's mortar-colored, the bridesmaids in pale pink. Cranberry velvet bows with veils to match their skirts formed head-dresses, and they carried colonial bouquets of pink roses.

Michael Stillwagon served as best man, with Fenn Welch brother of the bridegroom, David Rowley of Wooster, Ohio, cousin of the bridegroom and Robert Hayes, cousin of the bride, seating the guests.

Mrs. Hayes greeted her guests in a toast ribbonette gown with white and toast accessories. A gray beaded dress with matching accessories was worn by Mrs. Welch. Both mothers wore white rose corsages.

A reception was held immediately following the ceremony at the Camp Grayling Officers' Club, which was decorated with palm fronds and cedar arches. A four-tiered wedding cake centered with bells on top centered the bride's table, which was set in front of a cedar arch. Assisting Mrs. Hayes in serving the refreshments were the bridesmaids.

Mr. and Mrs. Welch are making a trip to Niagara Falls on their honeymoon. A three-piece costume of forest green with gold suede top was the bride's going-away attire. With it she wore green accessories and a white gardenia corsage.

Mrs. Welch is a 1964 graduate of Grayling High School and a sophomore at Central Michigan University, Mt. Pleasant. Her husband graduated from Grayling High in 1963 and is a junior at Central Michigan. They will be at home in Mt. Pleasant after September 15.

Guests attending the wedding and reception were from Detroit, Bay City, Mt. Pleasant, Vestaburg, Ionia, Alma, Mt. Clemens, Riverday, Chicago, Wooster, Ohio and Indianapolis, Indiana.

A rehearsal dinner for the wedding party was given at eight o'clock Friday evening at Chief Shoppenagons Hotel by the groom's parents.
